NTAR News

Current list prices of new replacement parts for many popular models may be displayed alongside labour and paint times by ticking the box below: 'include Parts prices'

To compile your repair times make your selections from the drop down lists -
Repair info only OR include Parts prices

Manufacturer
Select a manufacturer

Model, equipment, start year, end year and cylinders
Select a manufacturer first

Body style
Select a manufacturer first

Area to repair
Select a manufacturer first

Paint layer
Select a manufacturer first

OR search for a vehicle by Schedule Number

Schedule number [Submit](#)

The New Times and Rates website has been designed to provide a benchmark for labour and paint times for the automotive body repair industry in Australia. This site enables you to search for actual repair times and print them out. Additionally, you can submit a field report or enquiry, view a glossary of terms and paint group data.
